

BAPEN ANNUAL CONFERENCE 2023 PRELIMINARY OUTLINE PROGRAMME

DAY 1 Tuesday 28th November 2023

09:00- 10:30	<p style="text-align: center;">Opening Plenary with top scoring oral abstracts</p> <p style="text-align: center;">Chair: Trevor Smith</p> <p style="text-align: center;"><i>BAPEN update</i> Trevor Smith</p> <p style="text-align: center;"><i>The Covid pandemic 4 years on: have we learned anything?</i> <i>An update on activities of the Covid Airborne Transmission Alliance and the Public Inquiry</i> Barry Jones</p> <p style="text-align: center;">Oral abstract presentation Malnutrition in emergency general surgery: current practice and outcomes Daniel Ashmore Jeremy Powell-Tuck award winner 2023</p> <p style="text-align: center;">Oral abstract presentation <i>Parenteral nutrition (PN) use post cytoreductive surgery (CRS) and hyperthermic intraperitoneal chemotherapy (HIPEC) – preliminary results</i> Hayley Williams PENG Award winner 2023</p> <p style="text-align: center;">Oral abstract presentation <i>A randomised controlled crossover trial comparing polymeric and semi-elemental oral nutritional supplements (ONS) in patients with short bowel</i> Alison Culkin PENG Award winner 2023</p> <p style="text-align: center;">Oral abstract presentation <i>Implementing nutritional screening in conjunction with frailty assessment in older adult outpatients</i> Philippa Brennan and Lisa Hyslop</p> <p style="text-align: center;"><i>Making the cut - a review of the care received by patients undergoing surgery for Crohn's Disease</i> Martin Sinclair</p> <p style="text-align: center;"><i>Sustainability in the NHS</i> Richard Smith</p>
--------------	---

10:30-11:15	Tea & Coffee/Exhibition/Poster Viewing		
10:30-11:15	Nutrition Village Session 1 <i>Innovation Session i.e. Remote Monitoring</i> Alison Young	Poster Walk A Enteral nutrition / Parenteral nutrition / Oral nutrition support / Case studies	
11:15– 12:45	Parallel Symposium 1 Management of a High Output Stoma Chair: Simon Gabe & Priya Mistry <i>Reasons for a HOS</i> Jeremy Nightingale <i>One size does not fit all: The importance of individualised advice for patients with a high output stoma</i> Alison Culkin <i>Medical Treatment</i> Ashley Bond Oral abstract presentation <i>Teduglutide for treating short-bowel syndrome in adults: a meta-analysis of real-world evidence compared to clinical trial data</i> Jack Eaton	Parallel Symposium 2 A Hard Act to Swallow Chair: Anne Holdoway <i>Swallowing – what can go wrong?</i> Tom Hughes <i>Eating and drinking with acknowledged risks</i> Dharinee Hansjee <i>Decision-making</i> Christina Connolly	Parallel Symposium 3 Jejunal Feeding Chairs: Rebekah Smith & Linda Cantwell <i>Effects of jejunal feeding on gut peptides and dumping</i> Alex Miras <i>Jejunal feeding: more questions than answers</i> Claire Campbell <i>Long term nutritional issues with jejunal feeding</i> Esther Fry Oral abstract presentation <i>The vitamin and trace element status of intestinal failure patients receiving long-term home parenteral nutrition and home parenteral fluid</i> Emma Noble PENG Award winner 2023
12:45-14:00	Lunch & Exhibition/Poster Viewing		
13:00- 14:00	Sponsored Satellite Symposium Abbott		
14:00 – 15:30	Parallel Symposium 4 Prevention and Treatment of Metabolic Problems in Intestinal Failure (IF) Chairs: Jeremy Nightingale & Kirstine Farrer <i>Bone Disease</i> Phillip Allan	Parallel Symposium 5 Making the EFFORT to Optimise Nutrition on the ICU Chair: Irena Grecu <i>EFFORT & proteins in critical illness</i>	Parallel Symposium 6 Beyond Screening Chairs: Rebecca Stratton & Anne Holdoway <i>Diagnosis of malnutrition and GLIM implementation update</i>

	<p><i>Liver problems</i> Lisa Sharkey</p> <p><i>Acid Base Balance</i> Sheldon Cooper</p> <p><i>Glycaemic control</i> Graeme Docherty</p>	<p>Danielle Bear</p> <p><i>Catabolic to anabolic switch in critical illness- a million dollar question</i> Elisabeth de Waele</p> <p><i>Nutrition management on the long way to recovery after critical illness</i> Judith Merriweather</p>	<p>Harriet Jager-Wittenaar</p> <p><i>Bridging the gap between nutrition knowledge and clinical practice. Supporting medical students with clinical nutrition skills in ward based teaching</i> Elaine Macaninch & Katharine Martyn</p>
--	---	--	--

15:30-16:15	Tea & Coffee/Exhibition/Poster Viewing	
15:30 – 16:15	<p>Nutrition Village Session 2 Enteral Tubes and trouble-shooting Claire Campbell</p>	<p>Poster Walk B Clinical practice and guidelines / Service improvement</p>
16:15 – 17:15	<p>Pennington Lecture <i>Optimising nutritional care – champions, culture and collaboration</i> Anne Holdoway</p>	
17:15 – 17:45	BAPEN AGM	
20:00	BAPEN Annual Conference Dinner	

DAY 2: Wednesday 29th November 2023

08:00-09:00	Sponsored Satellite Symposium Nutricia		
09:00 – 10:30 90mins	Parallel Symposium 7 My Gut, my Diet and Me Chair: David Sawbridge <i>Dietary Modulation of Gut Microenvironment</i> Subrata Ghosh <i>Probiotics and prebiotics: a practical approach for the clinical setting</i> David Sawbridge <i>Dietary intervention studies in IBD: Challenges and opportunities for research</i> Majella O'Keeffe	Parallel Symposium 8 NHS Impact 'Improving Patient Care Together' Chair: Trevor Smith <i>From Ward to Board: Why is it so hard to make improving nutritional care a priority at Board level and how have we begun to do this differently?</i> Trevor Smith <i>What is NHS Impact, Improving Care Together and how can we work differently to improve nutritional care for patients?</i> Ailsa Brotherton <i>Making clinical nutrition a fundamental priority: our trust strategy, embedding nutritional care into our ward and department accreditation processes and securing investment for Dietetics and Nutrition Nurses</i> Sarah Cullen <i>Connecting Nutrition clinicians with Improvers</i> a) <i>Designing for Reliability. Using improvement science to design a fundamentally different approach to NG Tube Safety</i> Arnab Bhowmick and Tracy Earley b) <i>"Hydration- getting the balance right"</i> Becky Bonfield c) <i>Adopting a robust improvement methodology to</i>	Parallel Symposium 9 Prescribing in Nutrition Support Chair: Ruth Newton <i>Administering medicines via feeding tubes</i> Emma Wilkinson <i>Prescribing considerations in a surgical patient- case study</i> Robbie Cord <i>Non-medical prescribing in nutrition support</i> Priya Mistry

		<i>improve nutritional screening and care</i> Pamela Coulthurst and Ben Morris <i>d) Utilising improvement to design and test reducing the prevalence of malnutrition in collaboration with Age UK</i> Jennifer Carroll	
10:30 – 11:00	Tea & Coffee/Exhibition		
10:30 – 11:00	Nutrition Village 3 Emergency Management of Gastrostomy Displacement Georgie Adams		
11:00 – 12:30 90min	Parallel Symposium 10	Parallel Symposium 11	Parallel Symposium 12
	The 4 Nations - Nutrition Support in Patients with Motor Neurone Disease	Optimising Access for Nutrition Support – from NG safety guidelines to managing lines for PN	Blended Diets
	Chairs: Sarah Jane Nelson and Ben Shandro <i>A national approach to weighing up options for nutritional support in MND</i> Judith Newton <i>Development of a collaborative pathway for gastrostomy insertion in MND: The NHS Grampian experience</i> Francesca Moroni	Chair: Ben Booth <i>NNNG NG Guidelines and Safety</i> Suzy Cole and Charlotte Rubio <i>Vascular Access and nutrition support</i> Andrew Barton	Chair: Rebekah Smith BDA Practice Toolkit - The Use of Blended Diet with Enteral Feeding Tubes Sarah Durnan <i>Multidisciplinary approach - how blended diet works in a community setting</i> Katie Angell
	<i>Gastrostomy placement in MND: a complex decision distributed over time and people</i> Sean White	<i>2023 Pam Harris Medal Lecture - Efficacy of a nurse led service in the management of central venous catheter repairs for patients receiving home parenteral support</i> Kirsty Hall	<i>Patient perspective</i> Rataporn Deesomsak
12:30 – 13:15 45 mins	Nutrition Village Session 4 Nutritional Supplements ‘What’s New?’ Tina Howe	Poster Walk C Intestinal Failure / Screening / Clinical nutrition	
12:30 – 14:30	Lunch & Exhibition		

13:30 – 14:30	Sponsored Satellite Symposium Takeda
14:30 – 15:30	Keynote Lecture <i>Nutritional management of Bariatric surgery catastrophes</i> Jim Byrne Awards Role of honour Student awards John Lennard Jones Medal Professor RG Clark Award Powell Tuck Prize Pam Harris Medal Lecture presentation PENG 2023 awards
15:30 – 16:30	Closing Plenary Clinical Nutrition Room 101 <i>In a light-hearted but educational interactive end to the conference, a multidisciplinary panel of experts will nominate two items each from the world of Clinical Nutrition that they would like to see banished to Room 101. Following a short discussion with the chair the audience will vote on whether the item is banished to Room 101.</i> Chair: Pete Turner Panel Becky White Trevor Smith Alison Culkin Natalie Welsh Fiona Leitch

Conference posters are sponsored by Stanningley Pharma, suppliers of the Renapro® Shot range
