

**BAPEN ANNUAL CONFERENCE 2025
PROGRAMME**

DAY 1 Tuesday 11th November 2025

09:00- 10:30	<p align="center">Opening Plenary</p> <p align="center">Chair: Nick Thompson</p> <p align="center">Welcome and introduction</p> <p align="center">NHSE Nutrition and Hydration Strategy</p> <p align="center">Jane Fletcher</p> <p align="center">A047: The rescoping, for accuracy, of adult in-patient digital nutritional risk screening across all District General Hospital sites within a whole Health Board</p> <p align="center">Lindsey Clark</p> <p align="center">A030: Different protein sources for oral nutrition support: An evaluation of their composition and effect on appetite, satiety and diet-induced thermogenesis</p> <p align="center">Pariyarth Sangeetha Thondre</p> <p align="center">Introducing “BAPEN Mentoring”</p> <p align="center">Alastair McKinlay</p> <p align="center">The developing role of AI in Healthcare</p> <p align="center">Tim Underwood</p>		
10:30-11:20	<p align="center">Tea & Coffee/Exhibition/Poster Viewing</p>		
10:35-11:20	<p align="center">Nutrition Village Session 1</p> <p align="center">How to Deliver a Talk – Top Tips for Success</p> <p align="center">Anne Holdoway</p>	<p align="center">Poster Walk A</p> <p align="center">Enteral nutrition, Parenteral nutrition, Oral nutrition support & Sustainability</p>	
11:25 – 12:55	<p align="center">Parallel Symposium 1</p> <p align="center">PENG symposium on protein</p> <p align="center">Chair: Becky Smith</p> <p>A072: Amino acid and protein losses in adult patients receiving maintenance dialysis: a literature review</p> <p align="center">Bruno Mafri</p> <p>PENG award winning abstract</p> <p>Protein requirements: what is the point of estimating and what are we trying to achieve?</p> <p align="center">Clare Soulsby</p> <p>How much protein do our nutrition support patients really need? A systematic review of protein requirements in nutritional support.</p> <p align="center">Liz Weekes</p> <p>Protein metabolism and sarcopenia</p> <p align="center">Philip Atherton</p>	<p align="center">Parallel Symposium 2</p> <p align="center">Nutrition & fluid management in small bowel obstruction</p> <p align="center">Chairs: Jeremy Nightingale & Pete Turner</p> <p>How much and what to give (Nutrition & fluid management in small bowel obstruction)</p> <p align="center">Dileep N Lobo</p> <p>Update of early parenteral nutrition in malnourished small bowel obstruction patients</p> <p align="center">Matthew Lee</p> <p>Management of High Output Stomas and Fistulas</p> <p align="center">Alex Speakman</p> <p>Panel discussion</p>	<p align="center">Parallel Symposium 3</p> <p align="center">Future Leaders</p> <p align="center">Chair: Emma Parsons</p> <p>Stepping into leadership roles around research</p> <p align="center">Caroline Anderson</p> <p>Taking on professional leadership</p> <p align="center">Uchu Meade</p> <p>A101: How age and ethnicity shape folate concentrations in children</p> <p align="center">Marvey Youssef</p> <p>BAPEN Medical Powell-Tuck Prize winner 2025</p> <p>A104: Estimation of energy requirements in the transmasculine population: a comparison between indirect calorimetry and predictive equations</p> <p align="center">Grey Fianza</p>

	Panel discussion		<p>A105: Eligibility for GLP-2 therapy in adults with short bowel syndrome leading to chronic intestinal failure Maja Kopczynska</p> <p>A024: Muscle Matters: Body Composition and Handgrip Strength as Predictors of QoL in HPN Colette Kirk</p> <p>Improving Nutritional Care Grants presentation</p> <p>Co-creation of a population-specific nutritional screening tool for the identification of nutritional risk among people experiencing homelessness Ghislaine Swinburn</p>
12:55-14:10	Lunch & Exhibition/Poster Viewing		
13:00- 14:00	Sponsored Satellite Symposium Fresenius-Kabi		
14:10 – 15:40	<p>Parallel Symposium 4 Dysfunctional gut – approaches to help feed go down</p> <p>Chair: Alison Young & Nick Thompson</p> <p>A medical approach Asma Fikree</p> <p>A dietetic approach Lee Martin</p> <p>A psychological approach Melanie Coxall</p> <p>Panel discussion</p>	<p>Parallel Symposium 5 Sustainability</p> <p>Chair: Ashley Bond</p> <p>Approach to implementing sustainable practices within your organisation or department Jack Hodd</p> <p>PINNT patient survey, Waste not want not Steven Pearson-Brown</p> <p>A discussion: Plant based food for hospital patients Laura-Jane Smith & Ellie Coles</p> <p>A033: Environmental sustainability in the UK home enterally tube Fed (HETF) population, A health care professional survey Louise Davey-Hewins BAPEN Sustainability Award winner 2025</p>	<p>Parallel Symposium 6 Disordered eating in children</p> <p>Chair: Caroline Childs & Akshay Batra</p> <p>Exploring Disordered Eating in Children with Coeliac Disease Rosie Satherley (pre-recorded)</p> <p>Appropriate management of overweight and obesity in children Nikki Davis</p> <p>Using photovoice to capture the experience of eating disorders and set research priorities in Autistic people with Eating Disorders Karri Gillespie-Smith</p>
15:40 – 16:30	Tea & Coffee/Exhibition/Poster Viewing		
15:40 – 16:10	BAPEN Medical AGM		
15:45 – 16:30	<p>Nutrition Village Session 2 Vascular Access Device Care and Maintenance: Applying best practice to avoid complications Andrew Barton Sponsored by Solventum</p>	<p>Poster Walk B Clinical Practice and Guidelines, Service Improvement and Screening</p>	

16:35 – 17:35	Pennington Lecture Astounding Facts and Amazing Messages from 20 Years of the BAPEN Annual Conference Pete Turner
17:40 – 18:40	Sponsored Satellite Symposium Abbott
19:30	BAPEN Annual Conference Dinner

DAY 2: Wednesday 12th November 2025

08:30 – 09:00	BAPEN AGM		
09:05 – 10:35	<p style="text-align: center;">Parallel Symposium 7 Managing Peripheral Parenteral Nutrition in Adults and Children</p> <p style="text-align: center;">Chair: Ben Booth</p> <p>Peripheral PN, a pragmatic approach from a paediatric perspective Sara Melville</p> <p>Perspectives of Peripheral Parenteral Nutrition (PPN) in adult in-patient services at two different NHS hospitals Natalie Welsh & Sharlene Haywood</p> <p>Home Parenteral Nutrition – Nursing Pilot study data Cathy Cawley</p> <p>A quality improvement project to enhance external fixation device placement on gastrostomy tubes Heidi Li Pam Harris Medal Lecture</p> <p>Panel discussion</p>	<p style="text-align: center;">Parallel Symposium 8 “Oh, what’s occurring in Wales?”</p> <p style="text-align: center;">Chair: Amelia Jukes</p> <p>The ‘retro-innovative’ approach to developing a whole-system malnutrition strategy Emma Catling</p> <p>Standardising Nutritional Practices in Critical Care across Wales – an impossible task? Lucy Morgan & Rebeca Romain</p> <p>The Nutrition Support team journey Amelia Jukes</p> <p>Panel discussion</p>	<p style="text-align: center;">Parallel Symposium 9 Medication delivery in intestinal failure</p> <p style="text-align: center;">Chairs: Priya Mistry & Becky White</p> <p>Mind the Gap: Bridging Drug Efficacy and Intestinal Failure Through Pharmacokinetics Raj Badhan</p> <p>Gut instincts: Predicting drug absorption in intestinal failure—A practical guide (case study) Uchu Meade</p> <p>Anticoagulation in intestinal failure - To DOAC or not to DOAC? Katherine Stirling</p> <p>Panel discussion</p>
10:35 – 11:10	Tea & Coffee/Exhibition/Poster Viewing		
10:40 – 11:10	<p style="text-align: center;">Nutrition Village 3 Managing multiple Concurrent Infusions for Home Parenteral Support Patients Victoria Ball Sponsored by Inspiration Healthcare</p>		
11:15 – 12:45	<p style="text-align: center;">Parallel Symposium 10 Nutrition Support in an ageing population</p> <p style="text-align: center;">Chairs: Emily Clarke & Sarah Faloon</p> <p>A085: “Well you're not disabled, are you?": A qualitative study on hidden</p>	<p style="text-align: center;">Parallel Symposium 11 Understanding ARFID Through an MDT Lens: Roles, Challenges, and Impact</p> <p style="text-align: center;">Chair: Linda Cantwell</p> <p>Understanding ARFID Through an MDT Lens: Roles, Challenges,</p>	<p style="text-align: center;">Parallel Symposium 12 Twenty years on from ‘MUST’ – how are we managing malnutrition?</p> <p style="text-align: center;">Chair: Emily Walters</p> <p>A057: A home-based nasogastric (NG) feeding and reconditioning service for</p>

	<p>disability in chronic intestinal failure Amy Woods</p> <p>Nutrition and healthy ageing John Mathers</p> <p>Aging patients on home parenteral support: challenges and rewards Case studies and panel discussion Clare Donnellan, Elizabeth Buse & Claire Forde</p>	<p>and Impact</p> <p>Dietitians Sian Taylor Angharad Banner</p> <p>Psychiatrist Cara Maiden</p> <p>Panel discussion</p>	<p>patients with liver disease: A value in health project Amelia Rowlands MAG Award winner</p> <p>‘MUST’ twenty years on Emily Walters</p> <p>Co-development of a Nutrition Screening Tool for People Experiencing Homelessness (CHUTNEY) Hannah Style</p> <p>Identifying Malnutrition in Those Experiencing Homelessness & Managing Malnutrition in Refugee Populations Ghislaine Swinburn</p> <p>Nutritional screening in mental health: Tools and trends Steph Smith</p> <p>The future of screening for malnutrition Rebecca Stratton</p> <p>Panel discussion</p>
12:45 – 14:45	Lunch & Exhibition/Poster Viewing		
12:50 – 13:35	<p>Nutrition Village Session 4 MCBs in the Home Settings Becky White Sponsored by Inizio</p>	<p>Poster Walk C Intestinal failure, Clinical nutrition, Student</p>	
13:30 – 14:30	Sponsored Satellite Symposium Nutricia		
14:00 – 14:30	Poster decision meeting		
14:45 – 15:15	<p>Keynote Lecture</p> <p>Chairs: Nick Thompson & Pete Turner</p> <p>Keynote Lecture Health economics of oral nutrition support – how to convince the sceptics Niamh Rice</p>		
15:15 – 16:00	<p>Awards</p> <p>PENG awards 2025 BAPEN Medical Powell Tuck Prize Highly commended posters Professor RG Clark Award – best poster Pam Harris Medal Lecture presentation Best oral Role of honour Student Award John Lennard Jones Medal (presented by Chair of Faculty) Pennington Lecture (certificate) Todorovic Micklewright award</p>		

	<p>Sustainability award – from abstracts</p> <p>MAG Award</p> <p>BPNG Award</p>
16:00 – 16:30	<p>Closing Plenary</p> <p>Chair: Pete Turner</p> <p>Personalised Nutrition Apps – help or hype?</p> <p>Steve Wootton</p>

The funds provided by BAPEN industry partners and exhibitors are used solely for the education conference and exhibition and are not allocated to the BAPEN conference social event.
