# Join BAPEN

**BAPEN has been the catalyst for major nutritional changes within our healthcare system. This has achieved through:**

- **Tireless government lobbying**
- **Research and monitoring**
- **The development of vital tools and resources**
- **The hard work of our members who are making significant changes that make a real difference to patient outcomes.**

### Why join BAPEN?

A larger membership means a stronger share of voice when we speak to Government and senior decision and policy makers.

Importantly, the membership subscriptions enable us to invest in the development of resources which we can then provide free of charge for use across the NHS.

### Membership benefits

**BAPEN:** discounted rates for Annual Conference, regional meetings and ESPEN

**Access:** to a wide range of online resources, and BAPEN's membership publication 'In Touch'. Plus, a reduced subscription rate to Frontline Gastroenterology

**Policy:** access & input to national reports, documents & commissioning tools

**Education:** through local & national events

**Networking:** opportunities through forums, meetings and events.

**Visit:** [www.bapen.org.uk](http://www.bapen.org.uk) to join.
