

Bridle Webinar

21st April 2026 19:00-20:00

Confused & frustrated at supply issues with the AMT bridles?
Wanting to improve patient experience and your confidence with securing NGTs?
Struggling to engage with colleagues to change practice?
Then join the NNNG for their collaborative webinar with Kebomed

What to expect

- Real world experience of a Nutrition Nurse colleague's success in implementing change
- What happened with AMT bridles, what were the issues and how things have improved
- Live Q&A with NNNG members and Kebomed – ask the difficult questions!
