

Practical Gastroenterology for General Paediatrics

Wednesday 27th
November 2019

UCL Great Ormond Street Institute of Child Health, London

15th in a series of annual courses designed specifically for General Paediatric Trainees, Consultants and allied professionals as well as those specialised, or have an interest, in Paediatric Gastroenterology. The course is led and delivered by a team of paediatricians, gastroenterologists and allied professionals with considerable experience in the clinical care of these conditions and delivery of education. The course aims to provide up to date and practical strategies for the diagnosis and management of common and challenging gastrointestinal disorders that face the paediatric team.

Topics covered

- Functional gastrointestinal disorders (e.g. Abdominal Pain, Constipation, Reflux)
- Inflammatory Bowel Disease
- Coeliac Disease
- Food Allergy

Who should attend?

- Trainees, Consultants, Nurses, Dietitians and other allied health professionals in General Paediatrics and Paediatric Gastroenterology

Course Directors:

Dr Nikhil Thapar, Great Ormond Street Hospital for Children NHS Foundation Trust, London

Dr Osvaldo Borrelli, Great Ormond Street Hospital for Children NHS Foundation Trust, London

What will you learn?

Contemporary knowledge and practical approach to
