

## **The Hawking Annual MND Lecture 2019**

### **Nutrition in MND - could getting it right make a difference?**

**Wednesday 20 November, 5.30pm RCN HQ, 20 Cavendish Square, London W1G 0RN**

This prestigious event aims, each year, to bring the latest thinking in the field of motor neurone disease to a wide audience. This year the focus is on the importance of nutrition to effective MND care.

The 2019 lecture, led by Professor Christopher McDermott, Professor of Translational Neurology at SITraN and a Consultant Neurologist at the Sheffield Teaching Hospitals Foundation NHS Trust, will explore the latest research in this key area for MND and its practical application.

It is possible to attend in person and enjoy an excellent networking opportunity or join via live stream. For more information and to register for this free event please visit
