

EUROPEAN  
SOCIETY FOR  
CLINICAL  
NUTRITION AND  
METABOLISM

Dear ESPEN Council members,

Education and training in Clinical nutrition is a priority for ESPEN. For this reason, we are very pleased to announce the **29th ESPEN Course in Clinical Nutrition**. The course will take place in **Gdansk, Poland, from 13-19 October 2024**.

Please find attached the program, which will also be available on the ESPEN website.

ESPEN will allocate 3 slots for each Block Member Society in a preferential position.

As representatives of your PEN societies, we would like to ask your support:

- Spreading the information about the ESPEN Course in Clinical Nutrition among your PEN Society members (as a news on the website, or social media message)
- Encouraging Young people to attend.
- Supporting the requests for applying. All applicants will need a letter of support from your PEN Society.

Thank you for your excellent work.
