

3rd Annual National Intestinal Failure Meeting

A conference at the Mayo Building, Salford Royal Care Organisation, with option to join online

Wednesday 29th Jan 2025

The day is hosted by Salford and St Mark's Intestinal Failure (IF) National Reference Centres. There will be state of the art lectures delivered by clinicians from a number of IF centres and patients on current challenges, as well as an interactive case discussion with an experienced multidisciplinary team. The day will also cover data capture considerations for IF centres in England.
